Dear Ehud:

On behalf of the Breakthrough Prize Founders, I would like to invite you to be our guest for this year's Breakthrough Prize Ceremony on Sunday, November 8th in Silicon Valley.

The 2015 Prizes for Fundamental Physics, Life Sciences and Mathematics will be presented to this year's laureates at the Breakthrough Prize Ceremony. It will be a celebration of science, scientists and the power of curious minds to ask the big questions of the Universe.

A formal invitation will follow from *Vanity Fair* with more details. In the meantime, we hope you will save the date on your calendar.

Best regards,

Yuri Milner
